

TO WHOM IT MAY CONCERN

THIS is to certify that the construction work of the building of Gagan Educational Society situated at Geeta Colony Facility Centre, Delhi-110 034 has been completed as on date. The structure has been analysed and designed by our structural Consultants as per ISI codes (IS:456-1978) and (IS:1786-1979). The structure designed is absolutely safe and we take full responsibility of the safety of the design of the structure. The total plot area is 4 acres with around 9000 Sq. meters super covered area. The Toilets are well constructed and maintained with all the modern gadgets, proper filtered drinking water arrangement and sanitation conditions are very satisfactory.
