सरस्वती वंदना

वंदन के शारदा सरस्वती,
मात-पिता तुम शुभ भावनी,
आदि माया तुम भवानी, आ दयामयी ।
तुम ही भवानी जगत के तुम,
प्रतिपालक सब जग जानी ॥

जो हम देते तुम ही कमानी,
जो हम करते तुम ही कमानी,
तुम प्रतिपालक सब जग जानी ॥

अब हम बालक शरण तिहारी,
पूर्ण कृपा हो हम पर जननी,
शरणागत की लाज बचानी,
तुम प्रतिपालक सब जग जानी ॥

St. Lawrence Convent Sr. Sec. School VISION

At St. Lawrence Convent Sr. Sec. School, our vision is to nurture well-rounded, confident, and responsible individuals who strive to achieve their highest potential. We aim to provide a welcoming, safe, and supportive learning environment where every child feels valued and encouraged to grow. Through excellence in teaching and learning, we foster curiosity, creativity, and a strong sense of responsibility, while promoting values of care, respect, and trust.

Our educational approach focuses on developing both intellectual abilities and social values through meaningful and child-centered learning experiences. By encouraging participation, discussion, and creative thinking, students learn to connect their interests with essential knowledge and skills. We believe that children grow best when they take responsibility for their learning and become active and confident participants in their educational journey.

MESSAGE

I am delighted to witness the vibrant creativity and enthusiasm that all of you showcase in your school. Your talents are expressed through storytelling, poetry or insightful essays are truly inspiring. Reading and writing are powerful tools that open the doors to new worlds, broadens our understanding and nurture *our imagination*.

I encourage each of you to make reading a daily habit. Explore the works of great authors from diverse cultures. Let their ideas inspire your own thinking. Similarly, writing allows you to give form to your thoughts, share your perspectives and create something that others can enjoy reading.

The school magazine, created by the collective efforts of the school, is a wonderful platform to showcase your talents. It is a reflection of your hard work, creativity and vision. Through this magazine you are not only sharing your ideas but also inspiring others in our school community.

Your voices are important and your creativity can shape the future. Keep challenging yourself to learn, grow and express. I am proud of your accomplishments and am here to support your journey. Let us continue to make our school community a hub of innovation and excellence.

Your voices are important and your creativity can shape the future. Keep challenging yourself to learn, grow and express. I am proud of your accomplishments and am here to support your journey. Let us continue to make *our school community* a hub of innovation and excellence.

MESSAGE FROM THE DESK OF DEPUTY DIRECTOR OF EDUCATION ZONE III

Dr. Rajpal Singh

Deputy Director of Education
Zone 03, District East, Delhi

Dear Students, Teachers and Parents,

It gives me immense pleasure to pen a message for the Annual School Magazine, “**अतीतम्**”, for the academic session 2024-25. The theme of this year’s magazine reflects our collective responsibility to work towards sustainability, fostering innovation and inclusivity for a better tomorrow.

Education is the most powerful tool to empower young minds, and it plays a crucial role in molding individuals who are not only academically accomplished but also socially and environmentally conscious. As we strive to integrate the principles of the National Education Policy 2020 into our curriculum, let us focus on building bridges that connect knowledge with action, collaboration with creativity, and dreams with determination.

This magazine reflects the hard work, creativity, and achievements of our students and teachers. It encapsulates the spirit of curiosity, critical thinking, and teamwork, which are essential for building a sustainable and equitable future. I encourage every reader to reflect on the contributions showcased in these pages and to draw inspiration from the efforts of our young learners and dedicated educators,

Let us continue to nurture the seeds of hope, innovation, and resilience within our educational community, ensuring that the bridges we build today lead to a brighter and more sustainable tomorrow.

Wishing you all continued success and new aspirations in this journey of growth and learning.

Dr. Rajpal Singh
Deputy Director of Education
Zone 03, District East, Delhi

MESSAGE FROM CHAIRMAN

MUDIT MITTAL

Dear Students, Parents, and Staff,
Here, I would like to present a
significant quote by an eminent writer:

“The mistake of a doctor is buried in the grave. The mistake of an engineer is cemented with bricks. The mistake of a lawyer is filed with papers. The mistake of a teacher is reflected in the nation.”

As we continue on our journey towards excellence in education, I am delighted to introduce our school's E-Magazine. This digital platform will serve as a showcase of our students' talents, achievements, and experiences.

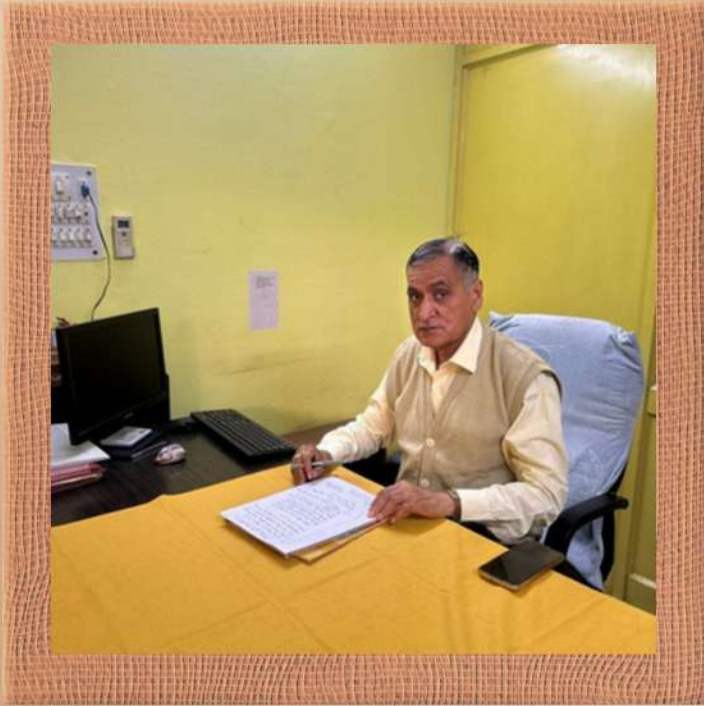

At St. Lawrence Convent School (Geeta Colony), we strive to provide a holistic education that fosters academic excellence, creativity, and character development. Our E-Magazine will feature stories of student success, along with updates on school events, news, and initiatives.

I assure all stakeholders that we will provide the best possible facilities for the effective development of the teaching-learning process in the school. I am satisfied with the sincere efforts being made to prepare the future citizens of India.

Last but not the least, I hope that the school will continue to bring laurels and soar high in every field, fostering the holistic development of each student. This will help shape their personalities and secure their future as responsible citizens of the country.

MESSAGE FROM THE MEMBER OF SMC

EDUCATIONAL AND ACADEMIC CONSULTANT

Dear Students, Parents, and Staff,

It gives me immense pleasure to express my views regarding the school magazine. Education is, in fact, a lifelong process of learning which continues from birth to death through experiences. Every object in nature gives us knowledge if we have the desire to learn through observation and understanding.

The school provides children with opportunities to sharpen their senses to observe their surroundings keenly and to express their dreams in meaningful ways. Without goals and dreams, students cannot transform negativity into positivity. It leads them to fulfillment and joy. They will be able to overcome obstacles only when they have the firm will to march on the path to success. They must strive and work hard to reach their dreams. They have to make sacrifices and work diligently if their dreams truly matter to them.

No one has ever achieved anything without dreaming and making sacrifices. Our aim in the school is to develop citizens who are physically and intellectually well-equipped, emotionally stable, and enriched with strong moral values. The school is doing a great deal for the welfare of the students.

Virtue is the guiding light of our world and has its foundation in a good conscience. Nothing is more lovable than virtue and nothing more detestable than vice. A person's greatness is measured by his virtue. The school strives to instill virtue in students for national development, which is the need of the hour to make our country strong and progressive.

M.M. VASHISHTH
MEMBER OF SMC (EDUCATIONIST & ACADEMIC CONSULTANT)
ST. LAWRENCE CONVENT SR. SEC. SCHOOL

MESSAGE FROM THE PRINCIPAL

Dear Students, Parents, and Staff,

It is with great pride that I share our school's latest e-magazine for the session 2025-26, highlighting the hard work, creativity, and passion that each member of our school community contributes throughout the year. From academic excellence to outstanding co-curricular achievements, every page showcases the spirit of innovation and unwavering dedication that defines our school culture.

At our school, we are committed to deliver a well-rounded education that prepares students for success in all aspects of life. It is important to remember that education is not just about acquiring knowledge, but about shaping individuals who are empathetic, thoughtful, and equipped to face the challenges of tomorrow.

This year, our school remains committed to providing a comprehensive education that nurtures the whole student – academically, socially, emotionally, and culturally. The publication celebrates our dedication to fostering a learning environment where curiosity thrives, respect prevails, and every student is empowered to reach their full potential.

A special thanks to our teachers and mentors, who have been pillars of support in helping students shape their ideas and creativity into meaningful content. Their dedication and efforts are truly commendable. To our students, whose talent, enthusiasm, and hard work have filled these pages with inspiration and creativity, we are proud to showcase your achievements, thoughts, and artistic expressions.

We also extend our gratitude to the editorial team and designers for their commitment and effort in compiling, editing, and presenting this magazine so beautifully. Their hard work has truly paid off. Last but not the least, a big thank you to our readers and supporters, including parents and well-wishers, for their continued encouragement and appreciation. Their feedback and motivation inspire us to improve and innovate with each edition.

As we conclude this edition, we hope this e-magazine has been an enriching and enjoyable experience for all. We look forward to many more editions filled with knowledge, creativity, and inspiration.

I express my sincere gratitude to all the members of the School Management Committee for their significant and invaluable guidance in ensuring the smooth functioning of the school. Last but not threleast, I extend my heartfelt appreciation to all the editors of this e-magazine for their dedication in compiling and presenting it before all stakeholders. Their efforts in showcasing the school's activities to the community will undoubtedly foster co-operation and support, helping the school to achieve greater success.

In conclusion, I humbly acknowledge and extend my deepest gratitude to all those who have supported me, both directly and indirectly, in preparing and presenting this E- magazine before our esteemed stakeholders. Wishing you all continued success and fulfillment in all your pursuits. With the successful completion of this edition of St. Lawrence Convent Sr. Sec. School e-magazine, it is time to express our heartfelt thanks to everyone who contributed to making it a success.

"The woods are lively, dark & deep but i have promises to keep And miles to go before i sleep and miles to go before i sleep"

Warm regards,
Renu Rohilla

Convent Sr. Sec.
School

EDITOR'S MESSAGE

It is a proud moment for me to present this edition of our school E-magazine as an editor. This magazine reflects the creativity, talent, and spirit of our students and teachers. Every page carries efforts, imagination, and memories that make our school special.

Editing this magazine has been a journey of learning and growth. I am grateful to everyone who contributed and helped bring this edition to life.

**“Take the risk,
forget the fall.
If it’s all you want,
it’s worth it all.”**

**Happy Reading!

Activities

Beyond the books

Education is not just about textbooks and exams; it is about holistic development, and extracurricular activities play a crucial role in shaping a student's personality. At St. Lawrence Convent Sr. Sec. School, we believe that learning goes beyond the classroom, and engaging in extracurricular activities helps students discover their passions, talents, and leadership skills.

From sports, music, dance, and drama to debates, quizzes, and community service, these activities instill confidence, teamwork, creativity, and discipline in students. Sports teach the value of team spirit and perseverance, while cultural programmes foster self-expression and appreciation for art. Literary activities like elocution and creative writing enhance communication skills, and participation in clubs and social initiatives builds responsibility and empathy.

The importance of extra curricular activities in school

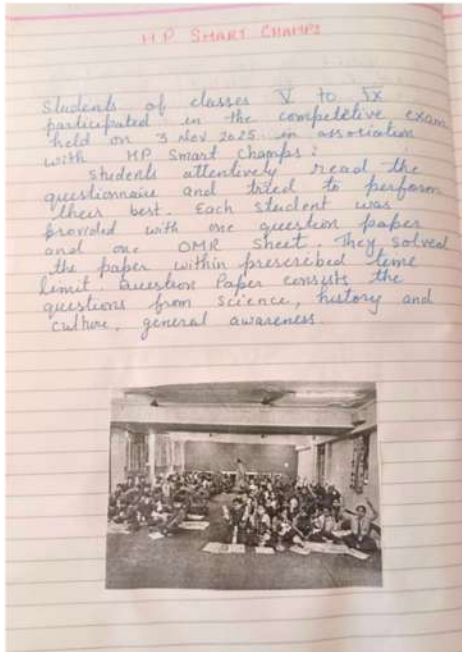

Extracurricular activities also help students manage stress, improve time management, and boost academic performance by promoting a balanced and well-rounded approach to learning. They prepare students for the real world by nurturing problem-solving abilities, leadership qualities, and adaptability.

At St. Lawrence Convent Sr. Sec. School, we encourage every student to participate in activities that ignite their interests and shape their future. After all, school life is not just about scoring high marks but about creating memories, building character, and preparing for a successful life ahead.

ECHOES OF KRISHNA'S BIRTH: A JOYOUS JANMASHTAMI

Janmashtami, the auspicious festival celebrating the birth of Lord Krishna, was celebrated with great devotion and enthusiasm at St. Lawrence Convent Sr. Sec. School on 14th August, 2025. The event reflected a beautiful blend of culture, spirituality, and creativity as students presented vibrant dance performances depicting various phases of Lord Krishna Ji's life.

The school campus was decorated with flowers, peacock feathers, and colorful rangolis, creating a divine atmosphere. The programme began with a traditional aarti, followed by graceful performances portraying Krishna's childhood, playful Makhan Chor leelas, and inspiring teachings.

The celebration promoted the values of love, friendship, and righteousness while deepening students' connection with Indian traditions. The event concluded with joy, togetherness, and divine blessings, making the Janmashtami celebration a memorable experience for all.

A memorable visit to Amrit Udyan

Students of St. Lawrence Convent Sr. Sec. School enjoyed an enriching educational visit to Amrit Udyan, a magnificent garden renowned for its lush greenery, vibrant flowers, and serene surroundings. The visit provided students with a refreshing break from routine learning while deepening their appreciation for nature and environmental conservation.

As students explored the beautifully maintained lawns and colorful flowerbeds, they were fascinated by the wide variety of plants and artistic landscape designs. They also learned about the historical importance of Amrit Udyan, formerly known as the Mughal Gardens, admired for its unique blend of Mughal and British architectural styles.

The visit proved to be a delightful combination of learning and enjoyment. It left students inspired to value the beauty of nature and the importance of preserving it for future generations.

From Celebration to Visarjan: A Journey of Devotion

Our school celebrated “GANESH VISARJAN” with great enthusiasm and devotion on 02/09/2025. The celebration marked the conclusion of “GANESH CHATURTHI” festival that had begun with the installation of “Ganesha’s idol” in school premises. The day began with a special morning assembly .Teachers and students together performed the arti before bidding farewell to Lord Ganesha. Students of class XII performed dances. A symbolic procession was taken out carrying Ganesha Idol on every floor of the school to seek blessings. The eco-friendly Idol was then immersed in a specially prepared tank within the campus to promote sustainable practices . The programme concluded with the chants of “GANPATTI BAPPA MAURYA (MANGAL MURTI MAURYA) PUDCHYA VARSHI LAVKAR YA” filling everyone’s heart with devotion joy and hope.. The event not only strengthened cultural values but also instilled essence of responsibility towards nature.

School

Dandiya fever

A day of Dance, Colors, and Festivity !

Navratri lit up St. Lawrence Convent Sr. Sec. School with an electrifying Dandiya event filled with music, movement, and memories. The campus transformed into a vibrant celebration of tradition and togetherness.

Students and teachers dressed in colourful traditional attire came together to celebrate the spirit of the festival with great enthusiasm. The rhythmic beats of the music and the graceful movements of the dancers created an atmosphere of pure joy and festivity. Laughter, energy, and cultural pride filled the air as everyone participated wholeheartedly. The celebration beautifully reflected the values of unity, tradition, and joyful togetherness. ✨🌸🪔

The celebration not only brought fun and excitement but also reminded students of the beauty of Indian traditions and the essence of unity in diversity. 🪔

SCIENCE EXHIBITION

Empowering Young Minds with Scientific Thinking

The Annual Science Exhibition on 29th Aug 2025 at St. Lawrence Convent Sr. Sec. School was a vibrant celebration of innovation and scientific curiosity. Students showcased impressive models and experiments in Physics, Chemistry, Biology, Environmental Science, and Technology.

Highlights included renewable energy projects, AI-based devices, eco-friendly solutions, and engaging hands-on experiments that captured everyone's attention. Judges and visitors praised the participants for their creativity, research, and confident presentations.

Awards were presented to outstanding projects, recognizing innovation and scientific excellence. The exhibition truly inspired young minds to explore science with passion and purpose.

ANNUAL SPORTS DAY

Beyond limits . Beyond victory

The Annual Sports Day on 14th Nov , 2025 was a spectacular celebration of energy, enthusiasm, and unity. Students of St. Lawrence Convent Sr. Sec. School showcased their athletic talent through thrilling races, relays, and field events, filling the grounds with excitement and cheers.

Through out the event, atmosphere echoed with determination and team spirit. Every participant displayed courage, discipline, and sportsmanship, making the day truly memorable.

The event's grand success was made possible by the dedicated efforts of our staff, supportive volunteers, and the wholehearted participation of our students. More than just competitions, the day strengthened values of excellence, teamwork, and perseverance.

Training for Safety, Acting with Confidence in Emergencies

Mock Drill

This initiative aimed to instill awareness about disaster preparedness and response. It was a valuable learning experience that highlighted the importance of quick thinking and coordination in times of crisis. The drill concluded with a briefing session where students shared their experiences, and experts provided feedback on areas of improvement.

Mock drill at St. Lawrence Convent Sr.Sec.School,

By conducting such mock drills regularly, St. Lawrence Convent Sr. Sec. School ensures that every student and staff member is well-prepared to face emergencies with confidence and composure.

“Better safe than sorry”

DONATION DRIVE: A STEP TOWARDS HUMANITY A LESSON FOR LIFE

At St. Lawrence Convent Sr. Sec. School, we believe that education goes beyond textbooks – it includes values like kindness, generosity, and social responsibility. One of the ways we nurture these values are through donation drives, where our students actively participate in giving to those in need, whether it's food, clothes, books, or stationery, each donation carries a message of hope and care. By participating in donation activities, our students experience the true joy of giving. These acts of kindness not only help those in need but also shape our students into compassionate individuals who will continue to spread positivity in the world.

At St. Lawrence Convent Sr. Sec. School, we take pride in fostering a spirit of generosity and service among our students. Together, we can make the world a better place to live in !

Colours , smile & festive cheer Holi Celebrations

🌈 Holi Celebration – Nursery to Class V 🌈

Our little stars (St.Lawrencians)from Nursery to Class V celebrated Holi with colours of joy, laughter, and togetherness. The school campus bloomed with bright smiles as children enjoyed eco-friendly colours, cheerful music, and fun-filled activities. Tiny hands painted beautiful memories while learning the true meaning of Holi – spreading love, kindness, and happiness. The celebration was a delightful blend of culture, creativity, and innocence.

The day reminded us that just like colours blend beautifully, unity and friendship make life vibrant and meaningful.

✨ Happy Holi – Let us colour the world with positivity and joy!

Journeys of Learning: School Trips & Excursions

Education is not just about books and classrooms; it is also about real-world experiences that shape young minds. At St. Lawrence Convent Sr. Sec. School, we believe that trips and excursions are an integral part of holistic learning. These outings provide students with opportunities to explore, experience, and expand their knowledge beyond textbooks.

From historical monuments to science museums, nature parks to adventure camps, every trip is thoughtfully designed to make learning interactive and engaging. Visits to cultural sites deepen students' understanding of history, while nature excursions instill a sense of environmental responsibility. Educational visits to industries and research centers expose students to the practical, real-world applications of their studies.

Beyond academic enrichment, excursions nurture teamwork, leadership skills, independence, and social bonding. The joy of traveling with friends and teachers creates lasting memories while strengthening friendships and school spirit.

Moments of silence, moments of pride—students watching Border 2—

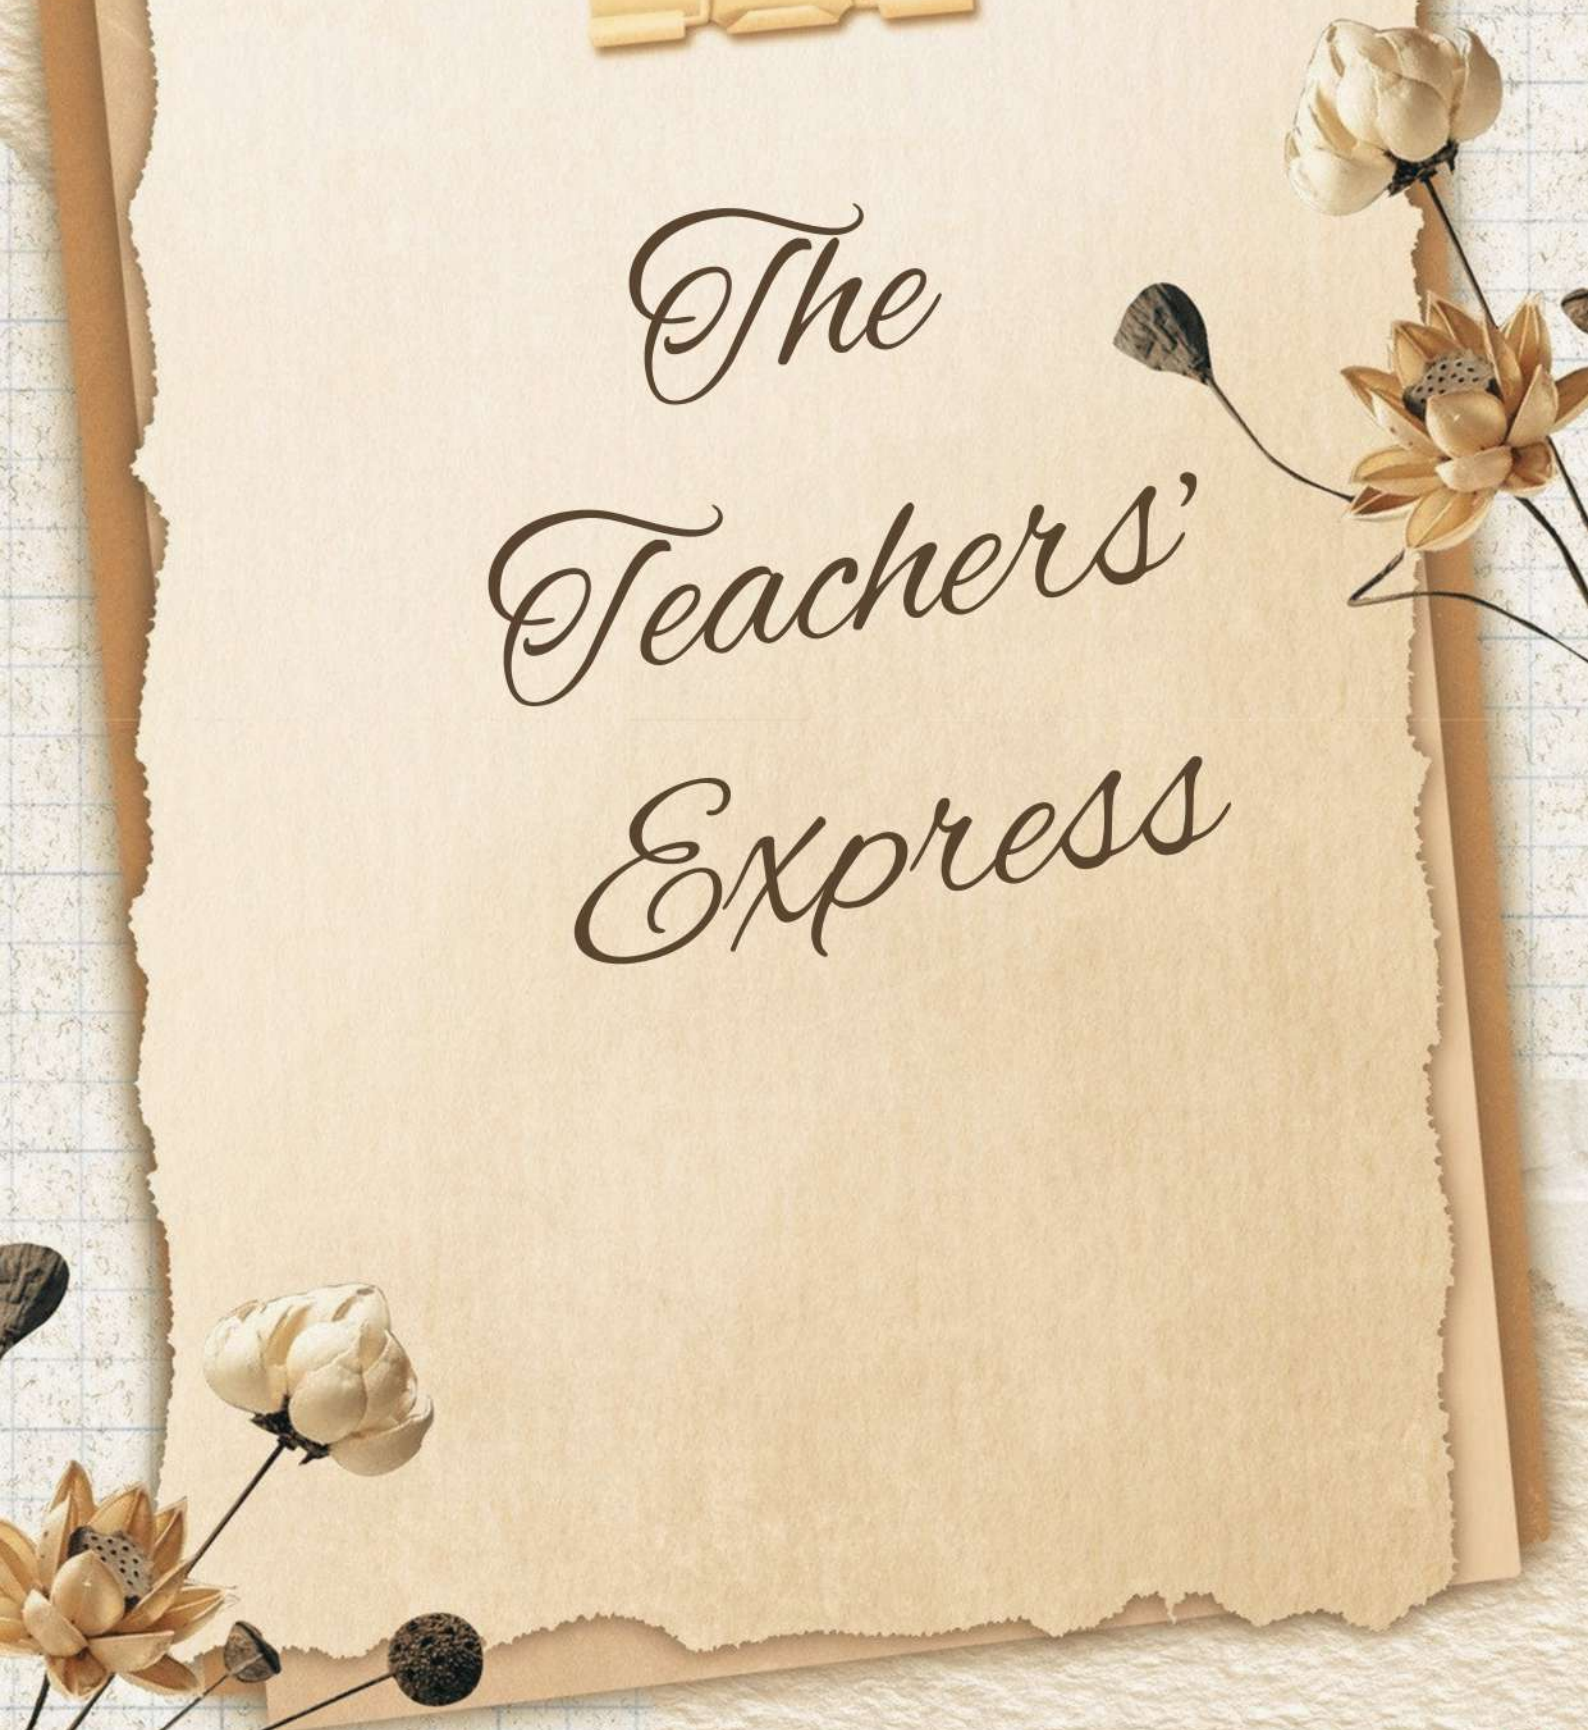

Moments of silence, moments of pride—students watching Border 2—

At St. Lawrence Convent, we remain committed to organise enriching trips that broaden horizons and nurture curiosity—because learning is not just about knowing; it is about experiencing.

Express

Values & Life Lessons

Guiding Principles for a Meaningful Life

Education is not just about acquiring knowledge; it is about shaping character, instilling values, and preparing students for life's challenges. In today's fast-paced world, where competition and distractions are abundant, strong values and life lessons act as guiding principles that help individuals lead meaningful and successful lives.

“The Power of Discipline and Hard Work”

Discipline & hard work are the pillars of success. Whether in academics, sports, or personal growth, consistency and dedication bring long-term rewards. A disciplined person manages time effectively, remains focused on goals, and overcomes obstacles with determination. As Thomas Edison rightly said, “Genius is one percent inspiration and ninety-nine percent perspiration.” Hard work, combined with discipline, ensures that dreams turn into reality.

“The Value of Kindness and Empathy”

In a world that often prioritizes competition, kindness and empathy remain essential qualities. Small acts of kindness—helping a friend, listening with understanding, or showing compassion—create a positive and harmonious environment. Empathy strengthens relationships and builds a sense of community. As the Dalai Lama once said, “Be kind whenever possible. It is always possible.”

“Developing a Growth Mindset”

A growth mindset is the belief that intelligence and abilities can be developed through dedication and effort. Students with a growth mindset embrace challenges, learn from failures, and keep improving. Instead of fearing mistakes, they see them as opportunities to grow. This attitude fosters resilience and self-confidence, essential for lifelong success.

At St. Lawrence Convent Sr. Sec. School, we believe that true education extends beyond textbooks. It is about shaping responsible, ethical, and compassionate individuals. By embracing discipline, learning from great leaders, developing a growth mindset, and practicing kindness, students can build a life of purpose and fulfillment. These values not only lead to personal success but also contribute to a better society.

(Incharge)

Role of Technology in Classrooms:

A Transformative Tool

The integration of technology in classrooms has revolutionized the teaching-learning process. In the 21st century, education is no longer confined to traditional chalk-and-talk methods. Digital tools such as smart boards, learning management systems, educational apps, and virtual classrooms have reshaped how knowledge is delivered and received.

Technology promotes interactive and student-centered learning. Audio-visual aids, simulations, and multimedia presentations help in better retention and understanding of complex concepts. It caters to diverse learning styles — visual, auditory, and kinesthetic — thereby making education more inclusive. Furthermore, technology enhances research skills and independent learning. Students can access online journals, e-books, and global resources, broadening their perspectives beyond textbooks. It also supports collaborative learning through online discussions and group projects.

However, the effectiveness of technology depends on its thoughtful integration. Overdependence may reduce face-to-face interaction and critical thinking if not monitored properly. Therefore, teachers play a crucial role in guiding students toward responsible and productive use of digital tools. In conclusion, technology is not a replacement for teachers but a powerful aid that enriches the educational experience. When used wisely, it prepares learners to meet the demands of a rapidly evolving world.

MIRA NARANG
SENIOR INCHARGE

Rooted in Values. Ready for the World

Dedicated To Students.

🌸 When You Walk Beyond These Walls 🌸

I still remember your first shy smile,
The hesitant steps down the corridor aisle.
Small hands raised with curious eyes,
Dreams shining bright beneath open skies.
Day by day, you learned to stand,
With growing mind and steady hand.
Through little failures, hidden tears,
You gathered strength across the years.
I watched you change in countless ways,
From playful talks to thoughtful gaze.
Each question asked, each lesson tried,
Was shaping futures deep inside.
Soon the bell will ring one last time,
Closing this tender chapter of mine.
You'll walk beyond these familiar doors,
Towards wider paths and distant shores.
Remember, life is more than success,
More than medals, ranks, or press.
Be kind in thought, be firm in right,
Let honesty be your guiding light.
If ever the world feels cold or wide,
Recall this classroom by your side.
For in these walls, you'll always find
A teacher's faith in heart and mind.
Go now, with courage in your stride,
Let wisdom and compassion be your guide.
For wherever destiny leads you to be,
You'll always remain a part of me.

From These Halls to the World

St. Lawrence

Ms Richa srivastava

EDUCATION

STRENGTH OF NATION

*Education is the nation's might,
A silent force, a guiding light.
It builds the future, strong and wise,
Where hope and courage always rise.
From village paths to cities grand,
It shapes the heart of every land.
In every child, a dream takes birth,
To serve the soil of mother earth.
It teaches duty, truth, and pride,
To stand for justice, side by side.
With knowledge as our strongest shield,
No fear can make our spirits yield.
Not swords, but minds make nations great,
Not wealth alone decides their fate.
When classrooms bloom in every part,
Progress begins in mind and heart.
O students, rise with purpose high,
Let dedication be your cry.
For through your learning, pure and true,
India's glory lives in you.
Let books be bridges, strong and wide,
Where dreams and discipline abide.
For education lights the flame,
That guards our freedom, name, and fame.*

Little Stars

We are little shining stars,
Bright and happy — that's what we are!
With tiny hands and twinkling eyes,
We laugh beneath the sunny skies.
We learn our A, B, C with cheer,
And count our numbers loud and clear.
We draw with crayons, sing a song,
And clap our hands all day long!
We share our toys, we try to be kind,
Good little habits we learn to find.
We say "Thank you" and "Please" each day,
And help our friends in every way.
We may be small, but dreams are big,
We dance like a happy little jig!
With teacher's love and parents' care,
We grow and shine everywhere.
We are the future, brave and bright —

TINY TOTS FULL OF LIGHTS ☀️

-Ms Vidushi Sisodia

नन्हे तारे

हम नन्हे-नन्हे तारे हैं,
मम्मी-पापा के दुलारे हैं।

छोटी-छोटी आँखें प्यारी,
हँसी हमारी सबसे न्यारी।

ए, बी, सी हम गाते हैं,
एक, दो, तीन सिखाते हैं।

रंग-बिरंगी पेसिल लेकर,
सुंदर-सुंदर चित्र बनाते हैं।

“धन्यवाद” और “कृपया” बोलें,
मीठी बातें सब से बोलें।

छोटे हैं पर सपने बड़े,
आसमान तक जाएंगे खड़े! ✨

Ms Mansi Tyagi
(Primary wing)

हिंदी भाषा के स्तंभ

कोई भी हो नाम अगर, तो संज्ञा वह कहलाता।
संज्ञा के बदले जो आता, सर्वनाम बन जाता।

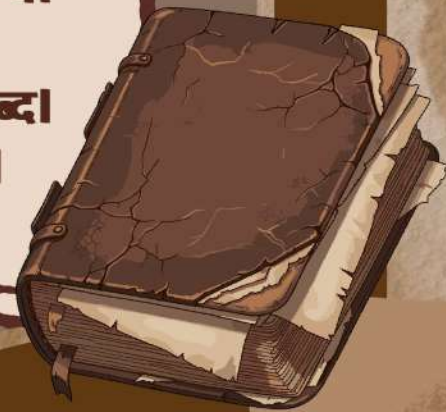

कोई भी हो काम अगर, तो उसे क्रिया हम कहते।
जिनका रूप कभी न बदले, अव्यय शब्द वे होते।

पुरुष जाति का बोध कराते शब्द कहलाते पुल्लिंग।
स्त्री जाति का बोध कराते शब्द कहलाते स्त्रीलिंग।

संज्ञा में हो एक अकेला, होता एकवचन।
अगर एक से ज़्यादा हों, तो बनता बहुवचन।

तीन पुरुष हिंदी में होते – उत्तम, मध्यम, अन्या।
उत्तम में 'मैं', मध्यम 'तुम' हो, तीसरा होता अन्या।

जिन शब्दों का अर्थ एक सा, पर्यायवाची शब्द।
एक-दूसरे से जो उल्टे होते, विलोम शब्द।

Anita
(Hindi teacher)

From the
heart of your
teacher

Dear Students,
Every morning when I walk into the classroom, I do not just see a group of learners — I see dreams sitting before me. I see future doctors, teachers, artists, leaders, and most importantly, good human beings in the making.

You may think that I only teach you lessons from textbooks, but the truth is, you teach me something every day. Your innocence teaches me patience. Your curiosity teaches me to keep learning. Your energy reminds me that hope is always alive.

Life will not always be easy. There will be exams that seem difficult, moments when you feel disappointed, and times when you may doubt yourself. In those moments, remember this — you are stronger than you think. One failure does not define you. One mistake does not decide your future. What truly matters is your courage to stand up again.

Never compare your journey with others. Each of you is unique, with your own talents and pace. Grow steadily, like a tree that strengthens its roots before it spreads its branches. Respect your parents, value your teachers, and choose kindness even when it is not the easiest choice.

Knowledge will give you success, but good character will give you respect. Years from now, you may forget the chapters I taught, but I hope you will remember how you were encouraged, understood, and believed in.

Keep dreaming big. Keep working hard. And never stop being kind.
With endless blessings and faith in you,

With love
MADHURI RATHORE
SOCIAL SCIENCE
TEACHER

THE SPARK OF CREATION

From fire's birth in ancient hands,
To circuits drawn in silicon lands.
The mind unchained, the heart set free,
Builds the world that's yet to be.

A whispered thought, a fleeting spark,
A beacon bright in boundless dark.

From wheels that turned to engines bold,
To dreams of space and futures told.
Invention rises, bold and new,
A bridge of light from old to blue.

With hands that shape and minds that weave,
New wonders rise for us to leave.
Yet innovation, restless soul,
Takes the past and makes it whole,
Refines, transforms, and dares to ask,
What more awaits beyond the task?

So here we stand on shifting sand,
With endless blue at our command.

For those who dream, the world is wide,
A canvas vast, yet undescribed.

— *Shruti Bharadwaj*
(Chemistry Teacher)

WHEN TIME SPEAKS

Time does not shout, it softly flows,
In silent steps, it comes and goes.
It slips through fingers, light as air,
Yet leaves behind memories rare.
We think we have “tomorrow” still,
Another chance, another will.
But time, once gone, will not return,
No matter how our hearts may yearn.
It watches childhood fade away,
Turns black to silver, night to day.
It sees our laughter, feels our tears,
And quietly counts our fleeting years.
In moments small, life’s truth is found –
In simple smiles, in love profound.
Not in riches we may claim,
But in how we used time’s gentle flame.
So pause today, breathe deep, be wise,
See life beyond the hurried eyes.
For time is life – so pure, so prime –
And life is nothing without time.

Suman Priya
(English teacher)

Jettisoning- Discarding

He was my classmate
Charming and soulful
Even as a boy
A gentle man
Ever grateful for small things.

When ever I gave him a pencil
He gave me a pen
And when I lent him a book
He gave me volumes.

Then both we grew in life
I gifted him all good things
That I came to possess
As he was yet lovable

As usual he returned my love
Gave me better and precious things
Always caring to remember
What I had rendered unto him

Then he became a celebrity
And was flooded with gifts
Valuable and invaluable
Unique and rare.

I continued to give him
All good things I came on
He had neither time nor talent
To respond to my love.

Once I gave him handkerchieves
Which I had got tailor made
Then he looked away
And there after never looked
into me

People remind me
of an old superstition
That the gift of handkerchiefs
Drives a wedge between
friends

I know they are wrong
It is not the whole truth
But a part of the truth
When used to big and beautiful
The small is hateful
When spending in the new
The old and stable
Become jetsam

Artificial Intelligence Corner

What is AI?

Artificial Intelligence, commonly known as AI, is a powerful technology that enables machines to think, learn, and make decisions like humans. From voice assistants to self-driving cars, AI is transforming the world around us at an incredible pace.

Applications of AI in daily life

- Voice assistants like Siri and Google Assistant
- Smart recommendations on YouTube and Netflix
- Face recognition systems and online fraud detection

AI in Education

- Smart learning applications
- Personalised study plans
- Instant doubt-solving platforms

AI is making life smarter, faster, and more efficient. However, with great power comes great responsibility. It is important to use AI ethically, ensuring privacy, fairness, and respect for human values.

✦ The future belongs to those who understand technology and use it wisely.

चिंतन कोना

“रुकें... सोचें... समझें...
और आगे बढ़ें...”

शिक्षक चिंतन

शीर्षक: “शिक्षा केवल
पाठ्यपुस्तक नहीं”

हम कक्षा में पाठ पढ़ाते हैं, व्याकरण समझाते हैं,
परीक्षाओं की तैयारी करवाते हैं।
पर क्या हम यह भी सोचते हैं कि हमारे शब्द बच्चों के
मन पर कैसा प्रभाव डालते हैं?
एक शिक्षक का धैर्य बच्चे का आत्मविश्वास बन
सकता है।
एक प्रोत्साहन भरा वाक्य उसके जीवन की दिशा बदल
सकता है।
चिंतन हमें याद दिलाता है –
हम केवल विषय नहीं पढ़ा रहे, हम व्यक्तित्व गढ़ रहे।

विद्यार्थी चिंतन

शीर्षक: “मेरी एक गलती,
मेरा सबसे बड़ा पाठ”

कभी-कभी असफलता हमें तोड़ देती है।
पर वही असफलता हमें सिखाती भी है।
एक परीक्षा में कम अंक आए, मन दुखी हुआ।
पर उसी दिन मैंने सीखा – मेहनत का कोई
विकल्प नहीं।
आज मैं गिरने से नहीं डरता/डरती,
क्योंकि मुझे उठना आ गया है।

मूल्य आधारित चिंतन

शीर्षक: “क्या सफलता
केवल अंक हैं?”

आज के समय में सफलता को अंकों से
मापा जाता है।
पर क्या ईमानदारी, करुणा और संस्कार
सफलता नहीं हैं?
अंक हमें अवसर दे सकते हैं,
पर चरित्र हमें सम्मान दिलाता है।
सच्ची शिक्षा वही है जो हमें अच्छा इंसान
बनाए।

अभिभावक चिंतन

शीर्षक: “सुनना भी प्रेम है”

हम अपने बच्चों को समझाते बहुत हैं,
पर क्या हम उन्हें सुनते भी हैं?
कभी-कभी बच्चों को सलाह नहीं,
सिर्फ अपनापन चाहिए होता है।
कुछ पल उनके साथ बैठना,
उनकी बातें ध्यान से सुनना –
यही सबसे बड़ा उपहार है।

मासिक चिंतन प्रश्न

इस माह का विचार:

“समय अमूल्य है, इसे व्यर्थ न जाने दें।”

सहभागिता गतिविधि

अपने अविष्य के स्वयं को एक पत्र लिखिए।
उसमें बताइए कि आप पाँच वर्ष बाद स्वयं
को कहाँ देखना चाहते हैं।
आप किन मूल्यों को अपने जीवन में बनाए
रखना चाहते हैं?

-Shobha
(Hindi Teacher)

यम और नियम

योग के पहले दो अंग एक खिलाड़ी के लिए शारीरिक और मानसिक अनुशासन, एकाग्रता, नैतिकता और दीर्घकालिक सफलता सुनिश्चित करने में अत्यंत महत्वपूर्ण हैं। ये न केवल एथलेटिक प्रदर्शन को बढ़ाते हैं, बल्कि चोटों को कम करने और खेल भावना को बनाए रखने में भी मदद करते हैं।

खेल में यम का महत्व (सामाजिक अनुशासन)

- हिंसा
खिलाड़ी को अपनी और दूसरों की सुरक्षा का ध्यान रखना चाहिए, जिससे अनावश्यक चोटें कम होती हैं।
- सत्य
अपनी क्षमताओं और सीमाओं के प्रति ईमानदार रहकर खिलाड़ी बेहतर अभ्यास कर सकता है।
- अस्तेय (चोरी न करना)
खेल में नशीली दवाओं (डोपिंग) या अनुचित साधनों का उपयोग न करना।
- ब्रह्मचर्य
शरीर की ऊर्जा को नियंत्रित रखना। शारीरिक सहनशक्ति और फोकस बढ़ाने के लिए यह आवश्यक है।
- अपरिग्रह (अनासक्ति)
हार-जीत से ऊपर उठकर केवल प्रदर्शन पर ध्यान केंद्रित करना।

खेल में नियम का महत्व (व्यक्तिगत अनुशासन)

- शौच (शुद्धि) शरीर और मन की स्वच्छता (स्वस्थ आहार) बनाए रखना, जिससे ऊर्जा और प्रदर्शन में सुधार होता है।

- संतोष

अपने प्रदर्शन में घैर्य रखना और सकारात्मक दृष्टिकोण बनाए रखना।

- तप (आत्म-अनुशासन)

कठिन प्रशिक्षण का पालन करना और मानसिक दृढ़ता बनाए रखना।

- स्वाध्याय (आत्म-अध्ययन)

अपने खेल, अपनी गलतियों और अपनी क्षमताओं को समझना।

- ईश्वर प्रणिधान (समर्पण)

खेल के प्रति पूरी तरह समर्पित होना और अंतिम परिणाम को स्वीकार करना

निष्कर्ष

यम और नियम मिलकर एक खिलाड़ी में खेल भावना, मानसिक शांति, एकाग्रता और शारीरिक मजबूती विकसित करते हैं, जो किसी भी प्रतियोगिता में उत्कृष्टता प्राप्त करने के लिए आवश्यक है।

SHAPING MINDS, HEARTS & FUTURES

A school is not merely a building where lessons are taught and exams are written. It is a living space where dreams are discovered, character is built and futures are shaped.

In today's fast changing world, education must go beyond text books. Along with academic excellence students need confidence, creativity, emotional strength, discipline and compassion. These qualities prepare them not only for careers but for life.

At our school, we aim to nurture learners who ask questions, accept challenges and respect differences. Every classroom interaction, every activity, every mistake and success becomes a stepping stone towards maturity. We believe that true learning happens when students feel safe to explore, express and evolve.

Administration plays the role of a silent architect—creating an environment where teachers inspire, students thrive.

We focus on building a culture of responsibility, integrity, teamwork and leadership. When students learn to manage time, respect rules and care for others, they prepare themselves for a meaningful future.

Dear students, remember your marks show your performance but your values show your personality. Your certificates show your achievements but your attitude shows your destiny.

Let this magazine be a mirror of your creativity, courage and curiosity. Keep learning, keep growing and keep believing in your potential.

BEYOND THE DIVIDE

Akram and Vikram grew up in a world divided by rigid social lines. Akram, though brilliant in his studies, lived in the shadow of poverty and the stigma of a "low caste" status. Vikram, born into a more privileged background, refused to accept these barriers. He stood by Akram, helping him navigate the systemic hurdles and financial struggles that threatened to derail his future. Eventually, Akram had to leave his home and his loyal friend to pursue a different path, driven by the need to overcome his "money problems."

Five years later, Akram returned to his village, but the sight that greeted him was heartbreaking. His community—his biradari—was still being exploited and oppressed by the upper classes. However, the bond between the two remained unbroken. Vikram immediately joined Akram in his renewed fight for justice. Their story serves as a powerful moral on friendship, proving that true loyalty can bridge any social divide and spark the courage needed to challenge inequality.

MORAL:- true friendship is a catalyst for justice

A Soul's Journey

A seedling breaks the silent,
heavy earth,
Reaching upward for a distant,
golden sun.
Through all the seasons of joy and
pouring rain,
The heart grows deep, bound by
quiet roots,
To bloom at last in the garden of
our dreams

Protein Shake

INGREDIENTS

2 BANANA

7 DATES

7 ALMONDS

7 CASHEW NUTS

30 gm CHICKPEAS

30 gm OATS

HONEY (optional)

METHOD

Put all the ingredients in blender ! Blend well until smooth!

BENEFITS

- Helps in healthy weight loss
- provide Natural protein
- gives instant energy
- improves strength for gym & sports
- keeps body active whole day

CAUTION

- Drink only once a day not more
- Do not add too much honey, oats & chickpeas

Teacher-Student

Beyond the Classroom – Knowing Our Teachers

Student Interviewer: Japneet (Class IX)

Teacher: Ms Megha Khurana (English Teacher)

Q1. Ma'am, what inspired you to become a teacher?

I always believed education can change lives. I wanted to be someone who not only teaches lessons but also builds confidence in children.

Q2. What is the most challenging part of teaching today?

Keeping students focused in the digital age. Technology is useful, but discipline and balance are equally important.

“Teaching is not just a profession; it is a responsibility to shape the future.”

Q3. What makes you happiest as a teacher?

When a shy child starts speaking confidently – that is my biggest reward.

Q4. One message for students?

Respect time, respect your parents, and never stop learning.

– Japneet (Class IX)

The Period of Exam Days

The notes are spreaded around your desk,
The clock ticks loud, make your mind mess.

So many chapters, dates, and sums,
And fear of "what anything will come?"

Take a breath – slow, deep and wide.
You've worked too hard to run and hide.

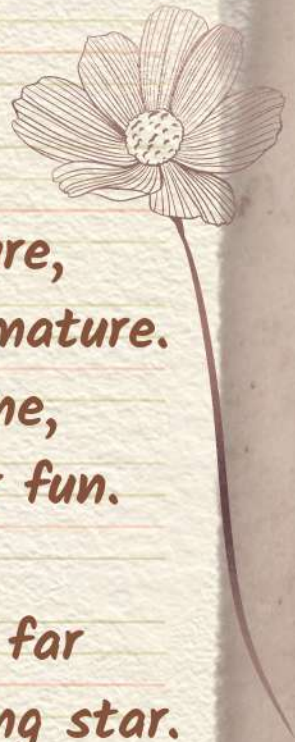

Every late night, every try,
Every tear you didn't cry.

One paper cannot rule your future,
It's just one step which make you mature.

Do your best, then let it be done,
You've matured, as neglected your fun.

Trust yourself, you've come this far
No matter the result, you're a shining star.

Samyak Jain - Xth B

Exam Stress: Darr ya Growth ka Mauka?

Raat ki neend aur sapne adhoore,
Kitabon ke saaye lagte hain gehre
aur ghane.

Dil mein sawaal, aankhon mein darr,
“Kal kya hoga?” soch ke thode se
thame.

Ghadi ki tick-tick tez sunayi de,
Jaise waqt bhi mujhse race lagaaye.
Har page ke saath pressure badhe,
Har line mujhe challenge sunaaye.
Lagta hai marks hi sab kuch hain,
Jaise wahi meri pehchaan likhen.
Par kya number hi kismat hote?
Ya hausle hi nayi udaan likhen?

Stress kabhi aansu ban kar gira,
Kabhi andheron mein roshni sa mila.

Wahi tension jo darata mujhe,
Wahi mehnat se banata mujhe.

Jab haath kaanpe, dil ghabraye,
Tab himmat hi saath nibhaaye.

Gir kar uthna, phir chal dena,
Yehi jeet ka asli raasta bataye.

Na darr mera dushman hai,
Na exam meri haar.

Ye toh bas ek seedhi si raah hai,
Jo le jaaye mujhe khud se paar.

Har pressure ek patthar hai,
Jo himmat ko mazboot banata hai.

Main tootne nahi, nikharne aayi hoon –
Ye imtihaan hi mujhe zindagi
ka matlab sikha jaata hai.

The Quiet Architecture of Becoming

Becoming is rarely a spectacle. It does not unfold beneath bright lights or in moments of applause. More often, it takes shape quietly within ordinary classrooms, inside unfinished notebooks, between questions asked and answers gradually understood.

We speak frequently of achievement, yet seldom of formation. And yet, it is formation that truly defines us.

School is not merely a place of evaluation. It is an unseen workshop of character. Here, intellect is refined, but so too are patience, discipline, discernment, and resolve. Long before success becomes visible, it is carefully constructed in silence.

Growth does not announce itself with grandeur. It reveals itself in quieter transformations: hesitation evolving into confidence, confusion maturing into clarity, failure reshaped into strength. These changes are not dramatic, yet they are lasting.

The transitional years of education often feel like standing at a threshold. Expectations deepen. Choices begin to carry consequence. The future feels nearer, and with it comes uncertainty. Yet uncertainty is not an obstacle to becoming. It is the very condition that encourages reflection, resilience, and self discovery.

At its finest, education does more than deliver information. It refines perception. It teaches that intelligence is thoughtful rather than loud, that progress is personal rather than comparative, and that integrity is revealed most clearly in decisions no one else sees.

Years from now, specific formulas, dates, and definitions may gently fade. What will endure is quieter and far more valuable: the steadiness built through effort, the humility shaped through correction, and the courage strengthened through persistence.

Each of us is a work in progress, evolving and unfinished. Perhaps the true triumph of education lies not in creating perfection, but in shaping capable, aware, and compassionate individuals.

Creative Expressions

Sarthak Varshney
VI - A

As we close the pages of this year's magazine, we carry with us memories of laughter, achievements, creativity, and growth. May these pages remind us that every small step in school becomes a big step in life.

See you next year with more dreams, ideas, and achievements!

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today"

Thank you

for being a part of the St. Lawrence Convent family.
